# Corporate Volunteering

**Dress for Success Tasmania supports women across Tasmania with professional clothing, confidence and the tools they need to obtain employment and financial independence.**

**Donations of high-quality clothing from the community stock our boutique, where volunteers provide confidence-boosting outfits, career workshops, and 1:1 resume, job application and interview support.**

## How you help

Corporate volunteers support Dress for Success' delivery of programs by sorting clothing donations and ensuring only high-quality clothing makes it into our boutique, while at the same time reducing the amount of clothing that goes to landfill.

Throughout the year, corporate volunteers assist with the set-up, pack-down and delivery of our clothing sales. Money raised from these clothing sales go back into the delivery of Dress for Success programs.
